### Work experience

My work experience is centered upon policy analysis, whether in the field of competition, labour policy or political economy.

- *Sept. 2018 – Aug. 2019* Consulting Associate Intern at **Charles River Associates, Brussels**

As part of the competition division, I have been mainly concerned with the analysis of data for the study of pro-competitive effects or harm to competition stemming from currently undergoing mergers, including a phase-2 merger. I have been also involved in cases regarding abuse of dominance allegations and damage claims that arose from sanctioned cartel behaviour in a variety of markets.

- *May-July 2018* Research Assistant at **CREST, Paris**

CREST is the research center in economics of ENSAE. There, I have produced my master's thesis under the supervision of Dr. Francis Kramarz. The goal was to estimate the effect of new university openings on firm creation through a randomised experiment in France. For this purpose, I had access to a complete database of all active firms in the country and to software for big data analysis such as SAS.

- *Apr.-Aug. 2017* Economic Research Intern at **Natixis, Frankfurt**

I have analysed economic policies on behalf of the clients and helped producing forecasts on the economic effects of the French and German elections of 2017. Furthermore, I realised a working paper with Dr. Sylvain Broyer, on the analysis of convergence in core inflation and labour cost growth, between the Eurozone member states since

the introduction of the common currency. The report has been awarded the Prix de Stage de Recherche in economics at Ecole Polytechnique.

- *Sept.-Dec. 2015*                      Research Intern at **CSIL – Centre for Industrial Studies, Milan**

CSIL is a research center partnered with the University of Milan, where I took part in a project of public policy evaluation. The European Commission requested to assess fifty regional plans financed by the EU, in order to highlight the most consistent with the final aim of sustaining innovation in SMEs.

- *May 2015*                                Volunteer Teacher at **Hwigyeong Children’s Library, Seoul**

I volunteered as a teacher of English to kids aged 8 to 10, attending post-school programs at a local children’s library in Seoul, an experience that enriched me in adaptation skills.
